MAISA Collaborative Coordination Report

Project Mission:

Coordinate and focus the developmental activities of MAISA ISDs and RESAs to meet the immediate needs of members and their constituents with timely and high quality products/programs which will address emerging issues without duplicating effort and resources.

Project Vision:

The Collaboration Coordination Project will provide MAISA with a systematic process and protocols for collaborative work and projects across 57 ISDs/RESAs

MAISA Collaboration Coordination Updates

1. Monthly newsletter being sent out to:
 - ISD/RESA Superintendents
 - ISD/RESA Curriculum Instruction
 - Contacts identified by the superintendents
 - MDE identified Directors
 - School Improvement Facilitators Network
 - ISD/RESA focus group participants
 - M2C2
 - Math/Science Center Network
2. Continuing to build ongoing capacity by connecting and communicating with:
 - MAISA Instructional Services Committee
 - MDE (Sally Vaughn and Linda Forward)
 - Math/Science Center Network
 - Michigan Association of State and Federal Programs Specialists (MAS/FPS)
3. ISD as One discussion-to strengthen the current College and Career Readiness Standards Project and build a vision for future collaborative efforts.
4. Model and follow consistent decision making process and protocol for collaborative projects (research, action plans, timelines, etc.).

College and Career Readiness Standards Project

1. Phase 1: 2010-2011

Gap/Shift priority areas identified
K-12 model units to be developed
(January thru April, 2011)
ISD/RESA work groups (teams of
teachers) will review draft units and
deepen understanding of shifts in
instruction necessary to implement
CCRS.

Professional Development and units
will be provided statewide.

2. Action plans developed for:

Steering Committee

Management Teams

Writers

ISD/RESA Work Groups

3. Continue ISD AS ONE work, examples:

Common awareness message/training

Common professional development

Common assessment training

Common textbook review for CCRS
alignment
