

MAISA Collaboration Project Purpose

This project will help coordinate and focus the developmental activities of MAISA ISDs/RESAs to meet the immediate needs of our members and their constituents with timely and high quality products/programs which will address emerging issues without duplicating effort and resources.

Deliverables

- Create a process for ISD/RESAs to bring forward issues for consideration for collaboration and collaborative work.
- Create a process for determination of what work will move forward as a collaborative project/activity
- Create a process for gathering information, ideas, needs in a proactive manner reflective of emerging trends/issues
- Liaison/interact with established MAISA regions, committees and other education groups to identify areas of collaboration and development.
- Create efficiencies through collaboration and make MAISA more effective in increasing programs and services for constituents.
- Develop timelines and scope of work
- Keep MAISA leadership/membership regularly informed and advised about the project /work being done and the anticipated delivery date

2010-11 MAISA Collaborative Project

Identified Collaborative Project Common Core Curriculum

Reimagine a Statewide curriculum process:

- engaged by all
- building on the strengths of all
- shared with all
- developed once vs. 57 or 583 times
- implementing common professional development
- following a common format
- generating cost efficiencies and savings

ISD/RESAs have been invited to participate in the ELA and Math Common Core Curriculum Collaborative Project..... Planning will start with three opportunities to provide input and suggestions and develop the work plan.

The three dates are:

- Tuesday, October 5, 2010 at 3:30 at Lansing Community College – West Campus - Lansing
- Tuesday, October 5, 2010 at 7:00pm at Springhill Suites - Lansing
- Wednesday, October 6, 2010 at 8:00 at Lansing Community College – West Campus – Lansing
