Dear Parent/Guardian,

We would like to thank you for taking an interest in your student's education and respect your decision to choose another school district or home environment to provide for your student's educational needs.

In an effort to continually improve our schools and become the best educational opportunity for our students, their parents, and our district, I would appreciate your sincere responses to several questions listed below. You may use the back of this page to write additional comments. Please return this survey in the enclosed self-addressed stamped envelope. It is optional for you to sign your name(s). And as always, you are welcome to call, e-mail, or stop by and see me in person with any concerns or comments you may have about our school system.

Thank you for completing this survey. We look forward to better meeting your needs in the future.

Respectfully,

Bruce Nelson, Superintendent
