

# Michigan Purchasing Card Consortium

Simplifying Purchasing – Saving Time and Money

## Consortium Highlights

- **No fees** - annual card and enrollment fees are waived
- Exclusive agreement with JPMorgan Chase to provide a Commercial Card Classic program to all MSBO members
- Rebates to qualified program participants
- Michigan School Business Officials, Michigan Association of School Administrators and Michigan Association of School Boards have endorsed and support this program
- Eliminates the costly and time-consuming RFP process

## Advantages of the Card Program for Your School District

- Simplifies the process of procuring goods and services
- Reduces the costs associated with operational-related expenditures
- Improves control over purchasing
- Decreases the volume of checks and purchase orders issued
- MasterCoverage<sup>®</sup> liability insurance covers cardholder misuse
- Comprehensive program support led by a local team of bankers

## Utilize the Efficiency of the Smart Data OnLine<sup>™</sup> Time-Saving Tool

- Monitor card usage with Web-based access
- Access reports to analyze purchasing compliance
- Save time – efficient employee tool for transaction approval review
- Automatically code transactions to general ledger
- Automated data integration to accounting applications
