

Michigan Cyber Safety Initiative (CSI) – 2010-2011 Registration Form

Thank you for joining Attorney General Cox in the fight against Internet predators. Once your district has a confirmed week, we expect the district's designated contact to schedule seminars at the most advantageous venues. To help, we provide templates that include:

- letter to principals offering seminar opportunities;
- letter confirming a principal's interest, date, time, location, and equipment needs;
- parent opt-out form;
- seminar handouts;
- promotional material (text for newsletters, postcards, or other school promotional activities);
- 8 ½" x 11" community seminar poster.

These materials are available at the Michigan CSI website - www.michigan.gov/csi. If you have questions, please call the Attorney General's Consumer Protection Division toll-free at 1-877-765-8388.

Seminars Overview

K – 3rd grade. Using the acclaimed *Faux Paw's Adventures in the Internet* video and a customized curriculum, elementary students learn to keep their personal information safe, stay away from Internet strangers, and to tell trusted adults about anything that makes them uncomfortable.

4th – 5th grade. Through video and interactive curriculum, students appreciate why it is critical to protect their personal information; why they should never arrange to meet in person someone they first encountered online; how to recognize common techniques predators use to deceive students; and how to avoid and, if necessary, respond to cyber harassment.

6th – 8th grade. In addition to the topics covered in the 4th – 5th grade seminar, students are cautioned about revealing personal information on social networking sites and watch compelling videos featuring peer Internet predator and cyber bullying victims.

Community Seminar: Provides practical tools including how to: 1) access the Michigan Sex Offender Registry; 2) search and access social networking sites (i.e., MySpace and Facebook); 3) view Internet history logs to determine a child's online activity; 4) turn on safe surfing filters; and 5) obtain reliable information on parental-control software.

District & K-8 enrollment: _____

Street Address: _____

City, Zip: _____

County: _____

District phone & e-mail: _____

District contact & title: _____

Contact phone & e-mail: _____

Send form to:

Attorney General
Michigan CSI
P.O. Box 30213
Lansing, MI 48909

E-mail: AGCSI@michigan.gov

Phone: 877-765-8388

Fax: 517-335-1935
